

## Biographical Sketch (limited to two pages)

***[Insert Name and Affiliation]***

### **(a) Professional Preparation**

[A list of the individual's undergraduate and graduate education and postdoctoral training including location (in reverse chronological order)]

Postdoctoral Institution(s)	Location	Area	Inclusive Dates (years)
Graduate Institution(s)	Location	Major	Degree & Year
Undergraduate Institution(s)	Location	Major	Degree & Year

### **(b) Appointments**

[A list, in reverse chronological order, of all the individual's academic/professional appointments beginning with the current appointment]

### **(c) A list of Products or Publications most closely related to the proposed project (up to five)**

[Acceptable products must be citable and accessible including, but not limited to, publications, data sets, software, patents, and copyrights. Unacceptable products are unpublished documents not yet submitted for publication, invited lectures, and additional lists of products. Only these will be used in the review of the proposal. Each product must include full citation information including (where applicable and practicable) names of all authors, date of publication or release, title, title of enclosing work such as journal or book, volume, issue, pages, website and URL or other Persistent Identifier]

### **(d) Synergistic Activities /Contributions to Science (most closely related to the proposed project)**

[A list of up to five examples that demonstrate the broader impact of the individual's professional and scholarly activities that have relevance and impact on the proposed project]

*Examples could include, among others: innovations in teaching and training (e.g., development of curricular materials and pedagogical methods); contributions to the science of learning; development and/or refinement of research tools; computation methodologies, and algorithms for problem-solving; development of databases to support research and education; broadening the participation of groups underrepresented in STEM; and service to the scientific and engineering community outside of the individual's immediate organization.*

### **(e) Research Support/Extramural Funding received in the past 5 years (relevant to the proposed project; maximum of 5)**
