Process: cost language in Informed Consents

PI	IRB	CRH / ORA	Study activated

Presubmission

PI submit to CRH/ORA

CRH/ORA budget/billing process

PI picks cost language for consent

IRB Reviews and approves

CRH/ORA verifies cost in **IRB approved** consent correct?

Yes → CRH/ORA notifies PI study is activated

Subjects can be enrolled

No → CRH/JAX notifies PI to submit revision to IRB to correct cost language in ICF

PI revises consent, submits revision to IRB

CRH/ORA is responsible for tracking & ensuring (a) cost language is appropriate per contract, and (b) researchers obtain IRB approval for correct cost language
